Aect. #33 141

I would like to make a formal protest in regards to any rate increase by Far West Water and Sewer Company in Yunia

Far West Sewer Company currently back charges seasonal residents for ALL of the months between when the service was stopped and when it is started again.

This means that all seasonal dwellers have to pay for the full year of service even though service was shut off for six months or more and no water or sewer services were used.

How can this be legal???
